

SOUTH CROXTON PLAY A PART PROJECT SURVEY WE DESPERATELY NEED YOUR VIEWS TO ACCESS OUTSIDE FUNDING PLEASE COMPLETE AND RETURN

INTRODUCTION

The Play a Part Project is being developed by South Croxton Parish Council with the support of the Rural Community Council (RCC) a registered charity working to support and represent rural communities across Leicestershire and Rutland.

Following a successful application to the National Lottery Awards for All programme, a project plan has now been developed to undertake a programme of consultation and engagement activity to help produce a feasibility report on the future development of the playing field (The Play a Part Project).

This survey has now been developed building on the key issues raised from the initial community drop-in event held in June 2019. The survey will enable us to gain some additional evidence, so please use this opportunity to let us know your views, ideas and priorities. By taking part, you will be helping to make a real difference to the future of our playing field.

**The online survey is easy, fast, and quicker to analyse. We would prefer you to use the online survey if possible. If you wish to download a copy of this survey, obtain extra printed copies or complete it online, please go to the Parish Council Website:
